

August 13, 2009

Dear Bill,

Thank you for taking the time to meet with us in June about South Kingstown's stormwater education needs. Please find enclosed our suggestions for a stormwater education and outreach strategy.

We are happy to meet with you at your convenience to review these suggestions. **We have incorporated many different approaches into the plan, and we look forward to discussing how to implement the ideas that are most feasible for you, including the assistance that we can continue to provide.** Additionally, we recommend identifying a volunteer group who could assist the Town in the implementation of any chosen education methods.

We look forward to hearing from you and continuing to work on South Kingstown's stormwater education and outreach.

Best regards,

Lorraine Joubert
