Controlling Construction Site Runoff: Are Your Ordinances and Policies Making The Grade?

Date: Thursday, August 27, 2009

Time: 8:30 am - 12:30 pm

Location: URI Library, Galanti Lounge, Kingston

***This workshop is required for MS4 compliance with Phase II education and outreach.**

This workshop for municipalities and other MS4s will introduce model ordinance provisions, enforceable policies, SWPPP templates, and other tools that RI communities can use to effectively control soil erosion and sediment and prevent pollution from construction sites. Co-sponsored by the RI T2 center.

Registration is required!

Details, including registration information, are available on our [NEMO website](#) and our [RI Stormwater Solutions website](#).
