

News From RI Stormwater Solutions

Dear Lisa,

You are invited to participate in two stakeholder meetings for MS4s and others interested in stormwater management. This is an opportunity to **offer your input** on the Construction Site Storm Water Runoff Control and Post Construction Storm Water Management requirements for the next Phase II MS4 permit round through 2015.

***Preview of the Draft MS4 General Permit for 2010-2015-
Construction and Post-Construction Storm Water Management Measures***

Date: Thursday, July 8, 2010

Time: 9:00 AM - 12:00 PM

Location: RIDEM Offices, Room 280

This informational meeting with municipalities and other MS4s will review the Construction Site Storm Water Runoff Control and Post Construction Storm Water Management elements of the draft MS4 General Phase II permit for 2010-2015. River councils, environmental organizations and other groups involved in environmental education and advocacy are encouraged to participate.

TOPICS

- Preview and discussion of proposed the Construction Site Storm Water Runoff Control and Post Construction Storm Water Management in New Development and Redevelopment control measures requirements, changes from the current permit, and submittal requirements for the Notice of Intent (NOI) and revised Storm Water Management Program Plan (SWMPP). *DEM Division of Water Resources staff*

- **Data Management Software for MS4s, purchase update and discussion. *DEM Division of Water Resources staff***
- **Opportunity for questions and discussion.**
