

RI NEMO News

Dear Lisa,

As you prepare your Phase II Reports in time for the March deadline, we thought it might be helpful to make available the final attendance lists for all of the stormwater workshops that we offered during 2007 and 2008. You can find those lists online at:

<http://www.uri.edu/ce/wq/RESOURCES/STORMWATER/project.htm>

Please follow the link to "Project Progress," and the complete lists for each year are available.

In the future, this Stormwater Resource Center website will be phased out, so the attendance lists are also available with workshop information on our NEMO website:

<http://www.uri.edu/ce/wq/NEMO/Workshops-Support/index.htm>

Please follow the link to Previous Workshops and look for the "List of Workshop Attendees" link that can be found at the bottom of each workshop description.

Best regards,
Lisa Philo

Are There Upcoming RI NEMO Stormwater Workshops?

I know we all are eagerly awaiting the release of the new stormwater standards! Once the new standards are published, we will be announcing additional workshops this spring.
