

## RI NEMO News

Dear Lisa,

We sent you an e-mail last week, announcing our November 13 workshop entitled, *Reaching Out to Residents: Municipal Strategies for Public Stormwater Involvement*. We also were soliciting members for our ad hoc committee. We wanted to let you know that the draft agenda for that workshop is now available for comment. It can be found on our old website: <http://www.uri.edu/ce/wq/RESOURCES/STORMWATER/advisory.htm>

If you've already signed up for the ad hoc committee, thank you! We hope you'll return your comments on the agenda by Oct. 9. If you haven't signed up yet for the ad hoc committee, you still can. Simply e-mail Lisa by Oct. 3.

**As a member of our Advisory Committee, we also wanted to let you know that we are opening the registration for the workshop.** To register, please visit our online registration website at: <http://www.regonline.com/rinemo>

Best regards,  
Lisa Philo
