

News From RI Stormwater Solutions

Dear Lisa,

We wanted to remind you about the stakeholder meeting for MS4s and others interested in stormwater management, happening this **Friday, March 12th**. This is an opportunity to **offer your input** on the Public Education and Involvement requirements for the next Phase II MS4 permit round through 2015.

Preview of the Draft MS4 General Permit for 2010-2015 - Public Education and Involvement Measures

Date: Friday, March 12, 2010

Time: 9:00 AM - 12:00 PM

Location: RIDEM Offices, Room 300

This informational meeting with municipalities and other MS4s will review the Public Education and Involvement elements of the draft MS4 General Phase II permit for 2010-2015. River councils, environmental organizations and other groups involved in environmental education and advocacy are encouraged to participate.

Topics of discussion will include:

- Preview and discussion of proposed Public Education and Involvement requirements, changes from the current permit, and submittal requirements for the Notice of Intent (NOI) and revised Storm Water Management Program Plan (SWMPP). *DEM Division of Water Resources staff*
- Educational resources available for MS4s, examples from RI MS4s, sample outreach plans for the SWMPP, and discussion of MS4 needs. *URI Cooperative Extension NEMO staff*
- Opportunity for questions and discussion.

A draft agenda will be posted by mid-week, so please visit our website at:
